DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 6/19/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).

A review of the pending claims has revealed that none of the pending claims are drawn to the elected species currently under consideration (aka 55 kD TNF receptor). Applicant is required to reinstate said claims for examination. The elections as made pertaining to the 75kd receptor will be maintained and used in the event that the search is extended to said species.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
